

Thank You

for making it your business to care for the children in need. Your charity has transformed lives at Singapore Children's Society.

Children's SOCIETY
Caring for the Future

Singapore Children's Society is a non-profit organisation that helps protect and nurture children and youths of all races and religions, including those who are abused, neglected, and/or from dysfunctional families. Established since 1952, our services include: Caregiving, Preventive, Developmental, Remedial, Community and Public Education.

'1000 Enterprises for Children-in-Need' is a fund raising programme started by Singapore Children's Society since 2009. Presented by Noble Group with OCBC Bank as the Community Partner, this programme hopes to amalgamate a total collaborative CSR effort of 1000 enterprises to meet the needs of the less fortunate children. We are also deeply honoured to have Deputy Prime Minister, Coordinating Minister for National Security and Minister for Home Affairs, Mr Teo Chee Hean as our Patron for 1000 Enterprises for Children-in-Need programme.

Companies may now participate as a Leading Enterprise with a donation of \$10,000 and above annually or as a Participating Enterprise with a donation between \$1,000 to \$9,999 annually.

For more information or to participate in this programme, please visit www.1000e.org.sg. For fundraising enquiries, please contact us at frd.corporate@childrensociety.org.sg
